

2024 give2GROW Participation AGREEMENT

The Phelps County Community Foundation is thrilled to organize the 13th annual give2GROW, a day to celebrate all the organizations that work to make our county a better place to live, work, and play. To ensure that we comply with several IRS regulations, we have created this participation agreement that all participating organizations will need to review, sign, and return to the PCCF office before registering on the give2GROW website.

- As a participating organization, I certify that my organization is a 501(c)(3) recognized by the Internal Revenue Service to be a qualified recipient of tax-deductible gifts. If my organization does not have 501(c)(3) status, I certify that we are a current fund holder with the Phelps County Community Foundation. Schools and certain government organizations may also be eligible for participation.
- If I am representing a newly formed 501(c)(3) organization, I understand that I must establish an agency fund at the Phelps County Community Foundation to participate in give2GROW.
- I confirm that the funds raised through give2GROW will be used for programs and services in Phelps County.
- To ensure that all gifts made through give2GROW are 100% tax-deductible, our organization will not solicit donations through give2GROW for the following purposes:
 - Memberships, dinners, or any other activity that provides benefits to the donor
 - Tickets to events
 - Charitable auction purchases
 - Raffle tickets
 - Gift items
 - Support of a political campaign
 - Pledge payments
- I understand that, by PCCF rules, if our organization is found to have solicited or received donations that are NOT 100% tax-deductible, we will forfeit our match pool earnings this year and be unable to participate in give2GROW 2025.
- Participating organizations certify that, to the best of their knowledge, all information entered on their give2GROW profile on give2growphelps.org is accurate and up to date.
- Participating organizations agree to notify the Phelps County Community Foundation as soon as possible should the organization cease or substantially reduce its operations or should the Internal Revenue Service revoke its charitable status.
- Please return this document to the Phelps County Community Foundation by August 23, 2024. Organizations that do not return a signed participation agreement by the deadline will not be eligible to participate in give2GROW.**
